3. The National Dialogue
4. The Cayman Islands Journey to the 2020 IMO III Code Audit

National Maritime Strategy III Code Compliance
Working Group (NMSIIICWG)

Overview

International Maritime Organisation (IMO)

- Responsible for regulating shipping.
- Ensures conventions are properly implemented by the countries that have accepted them.

Red Ensign Group (REG)

- Consolidates resources to maintain a reputation for safety and quality across British Ports of Registry.
- Members: United Kingdom, Crown Dependencies and UK Overseas Territories.

Maritime and Coastguard Agency (MCA)

- Undertakes monitoring audits on behalf of the UK Secretary of State.
- Develops international standards and policy for shipping, through the IMO.

National Maritime Strategy III Code Compliance
Working Group (NMSIIICCWG)

What is the IMO Member State Audit Scheme? (IMSAS)

- The Mandatory Audit of all IMO Member States effective 1 January 2016.
- Aims to determine the extent of how Member States give full effective implementation of its' obligations to the mandatory IMO instruments.
- Standards are based on the IMO Instruments Implementation Code (III Code) and Mandatory Instruments.
