

Before making any PR- or marketing material, we recommend you to read WISTA Style guide available also in the Knowledgebank, it's easy to follow and gives you an idea of how to get all right.

This trifold brochure, produced during the autumn of 2016, by Jillian Tobias, LogOn, member of WISTA USA, is available for you to download and print locally. If you prefer to order it from a printer, you should request a quote for an A4 trifold brochure and full colour. In the US brochures are normally printed on 100lb glossy text paper stock.

We hope that you will find the new brochure useful.
