WORLD SHIPPING LAW FORUM (WSLF)

Current Issues in Shipping Law

25/01/2020

Considering Greece's geographic position and its important role as a great shipping nation, Palladian Conferences organizes in Athens, a WORLD SHIPPING LAW FORUM (WSLF). In the Forum, experts will discuss and debate current issues in shipping law. The event is designed to generate insight into current legal problems in this field and the law's role in addressing future challenges and fostering future opportunities. The forum will provide important networking opportunities for all attendees and participants.
